

# **College and Universities Library Division Business Meeting Minutes**

27 September 2010

Little Rock, Arkansas (ArLA Conference)

The meeting was called to order by Kaye Talley.

The minutes from the last meeting held at Southeastern Arkansas College in Pine Bluff on 16 September were approved.

Daniel Page asked for people to think of ideas for what Colleges and University Library Division should do in the future.

Kathie Buckman requested that members review the Academic Survey and make suggestions for what questions should be included in the next survey.

There was a discussion about the lost Association of College and Research Libraries (ACRL) banner. Kaye Talley volunteered to look into getting a new banner, but it was decided we did not need one.

A call of nominations for the position of secretary was made by Kaye Talley. Heidi Vix was nominated and approved by the group. Heidi will serve as secretary, with Daniel Page serving as Chair and Carol Hanan as Vice-Chair.

The spring meeting will continue to be held in conjunction with the ArkLink meeting. The date of 15 April 2011 will be recommended to the Chair of ArkLink.

The meeting was adjourned.

Minutes respectfully submitted by Carol Hanan.
