

Election Schedules & Procedures

This year has flown by, and it is time to elect new officers to represent on ArLA's Executive Board. Current elections include 4 Members-at-Large, SELA Representative, President-Elect, Secretary, and Treasurer-Elect. Following the board positions are questions amending the ArLA Bylaws & Handbook. Profiles of those running for positions on the Executive Board are listed in the Nominees for Executive Board document available on the ArLA Website. All current ArLA members may vote in the election. The election will open for voting on September 20, 2022. Only ballots received by the designated deadline, September 29, 2022, will be counted. The results will be automatically tabulated and reviewed by the Nominations & Elections committee and will be announced at the ArLA Annual Conference. Note: officer positions that just say option as a second choice are those running unopposed. The software just requires two options. You'll need to login to the ArLA Website in order to vote and cast your ballot.
