

Two Year Colleges Round Table

Fall Business Meeting

September 28, 2019

Business Meeting Minutes

Chair Ronald Russ welcomes all to the meeting. He mentioned the possibility of bylaws changes that would require divisions and round tables to reapply for unit status. There would need to be signatures of 15 members of good standing, in order to re-establish our group. Chair Russ thought that was doable. But he also mentioned that the group hasn't been very active and we would need to be more active to make it worth the time to reapply. Both Shawna Thorup and Philip Shackelford felt that we can raise our visibility some and work towards making us a more active unit. Some ideas included networking, professional development, and two-year college advocacy. Mr. Shackelford said he would contact two-year college people directly to see if they would be interested in participation. An unconference is also another possibility. At the end of the meeting, it seemed as though we had ideas to move us forward. The meeting adjourned at 8:20am.

Respectfully Submitted,

Ronald S. Russ
